STUDENT AND PARENTS:

To apply for admission, complete and return this form and the \$50 application fee made payable to Runnels. This fee includes entrance testing.

In addition to a completed application, all applicants must submit the necessary letters of reference and academic records. Applicants must also present themselves for a personal interview with the principal and/or faculty admissions committee.

Acceptances will be determined on the basis of the school's admission policies, evaluation of standardized test scores, past achievement and conduct record, personal interview, and vacancies that exist.

Runnels High School admits students of any race, color, religion, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.

When candidates are accepted, their return of the enrollment contract, with the enrollment fee, will complete the registration procedure. Because space is limited, a prompt response to an offer of acceptance is necessary.
